Letter No. 16141 / DOF-IE-MISC-0010/2023, Dated: 27.11.25

To

The District Fisheries Officers (All)

Sub: Revised Guideline for the component "Maccha Chasa Pain Nua Pokhari Khola Yojana (I&II)" under the Scheme MMKY for the FY 2025-26.

Madam / Sir,

With reference to the subject cited above, I am to communicate herewith the revised guideline with slight modification for the component "Maccha Chasa Pain Nua Pokhari Khola Yojana (I&II)" under the Scheme MMKY for the FY: 2025-26 duly approved by Govt.

You are hereby instructed to follow it meticulously during implementation of the components in your district.

Encl.-As above

Yours faithfully,

25/11/2025
DIRECTOR

Memo No. 16142 Dt. 27-11.25

Copy along with copy of the enclosure forwarded to all Zonal Dy. Director of Fisheries for information and with an instruction to ensure its strict adherence in implementation during the field for the districts under their jurisdiction without fail.

25/11/2025
DIRECTOR

Memo No. 16143 Dt. 27-11.25

Copy along with copy of enclosure submitted to the PPS to the Principal Secretary to GOVT. in F & ARD Department for kind information of Principal Secretary.

25/11/2025
DIRECTOR

1. BACKGROUND

Odisha is endowed with 7.07 lakh ha of inland fresh water resources which include 1.56 lakh of tanks/ponds, 2.00 lakh ha of reservoirs, 1.80 lakh ha of lakes, swamps & jheels and 1.71 lakh ha of rivers & canals. Over last 5 years, the freshwater fish production through aquaculture has been increased to by 44% grown reaching at 7.34 lakh metric tonne in 2023-24 from 5.06 lakh metric tonne in 2018-19. For crop intensification in existing fish tanks and for expansion of freshwater fish production area, it is envisaged for excavation of new fish pond across the state under the State Sector Scheme –"MMKY-Machha Chasa Pain Nua Pokhari Khola Yojana (Matsya Pokhari Yojana)

2. OBJECTIVES

- i. To create additional water bodies for intensive aquaculture in inland sector through excavation of new tanks/ponds in the State of Odisha.
- ii. To promote intensive aquaculture in existing old tanks with low productivity.
- iii. To ensure income generation and employment creation through promotion of freshwater aquaculture.
- iv. To enhance the productivity upto 5 MT/ha/yr.

3. TARGET GROUP AND AREA OF OPERATION

1. I. Interested farmers having land /pond shall be covered under this scheme with the following eligibility criteria.
 - II. Must be a resident of Odisha and must possess identity and residential proof including Adhaar card.
 - III. Must have a Bank Account in his/ her name in the State of Odisha.
 - IV. Must have requisite land free from all encumbrances (Documentary evidence in support of the lands needs to be produced by the beneficiary).
 - V. The minimum WSA of 0.10 Ha. to maximum WSA of 5.00 Ha. excavated area with a minimum water depth of 5 feet shall be considered for subsidy in case of Component -I and minimum WSA of 0.10 Ha. to maximum WSA of 2.00 Ha in case of Component-II under MPY.
1. VI. If, a beneficiary has availed similar subsidy earlier for excavation of ponds for

pisciculture under different scheme of Govt. of India or State Govt. for less than **5.00 Ha.**, he/ she shall also be eligible to avail further subsidy for balance area keeping overall maximum limit up to **5.00 Ha. in case of the Component-I and overall maximum limit up to 2.00 ha. in case of the Component-II.**

VII. While availing subsidy, beneficiary family will be considered as a unit instead of individual member of family. One beneficiary family should not be provided with multiple benefit under one particular scheme. A family will not be eligible for subsidy under the same scheme if any of its members has got subsidy during last three years.

VIII. The farmers having their own/leased old existing ponds with very low productivity.

4. UNIT COST AND SUBSIDY PATTERN (in Rs. Lakh)

The unit cost towards new tank excavation and various inputs for taking up pisciculture activities in tanks are Rs.7.00 Lakh/ha & Rs.4.00 lakh/Ha respectively under Component-I. The unit cost towards input assistance for intensive pisciculture in existing tanks with low productivity is Rs.4.00 lakh/Ha under Component-II. The input cost includes cost of fish/prawn seed, feed, pond cleaning, harvesting, medicine, disinfectants and promotes better growth and other inputs as per requirements. Subsidy @ 40 % shall be provided to the General category and @ 50% to SC/ ST/ Women/ PWD/ Transgender categories of beneficiaries which is as detailed below;

Sl. No.	Specification of Tank/ Pond	Unit Cost (1 Ha)	Subsidy Assistance under MPY	
			General (40%)	SC/ ST/ Women/ Transgender/ PWD (50%)
Component-1				
A	Capital Cost			
1.	New tank of excavated area of 1 ha. having 5.0 feet(1.5mt) depth	7.00	2.80	3.50
B.	Input Cost			
1.	Input cost for 1 crop Cycle (Seed, feed, fertilizer, medicine,	4.00	1.60	2.00

	disinfectants etc.) for 1.00 ha. Water area (Details in <i>Annexure-I</i>)			
TOTAL (1.00 Ha. Tank)		11.00	4.40	5.50
Component-II				
1.	Input cost for 1 crop Cycle (Seed, feed, fertiliser, medicine, disinfectants etc.) for 1.00 ha. Water area (Details in <i>Annexure-II</i>)	4.00	1.60	2.00

I. For differently-abled persons the certificate of disability issued by certifying authority/ competent authority indicating 40% or more disability as per 'The Rights of Persons with Disabilities Act, 2016 will be acceptable. The certificate of identity as transgender person issued by District Magistrate as per 'The Transgender Persons (Protection of Rights) Act 2019 will be accepted as Transgender category.

II. In case of any modification in the guideline by Government in F & ARD Department the same shall be applicable for those beneficiaries who have received Go ahead letter during the FY 2025-26.

5. Role of AFO and DFO:

Sl. No.	Activity	Time line	Responsibility
1.	Submission of the application through online(Go Sugam)/ offline (to Block level office)		Beneficiary
2.	Initial scrutinizing of applications and Geo-tagging/ field feasibility report Jointly with the beneficiary and submission of applications along with requisite documents to DFO office.	Within 15 days of receipt of application	AFO

3	District Fisheries Officer shall conduct DLC of all eligible cases available with DFO office before issue of go ahead.	Within 30 days of receipt of application	DFO
4.	District Fisheries Officer shall issue Go- ahead in favour of the beneficiary basing on the feasibility report of the AFO. Copy of the Go-ahead shall be intimated to financing bank, in case of bank finance cases.	Within 15 days of approval of DLC	DFO
5.	Field inspection of tank site after completion of work by beneficiary and submission of UC to DFO.	Within 15 days of receipt of intimation from the beneficiary regarding completion of the work	AFO
6.	Release of subsidy to the beneficiaries through DBT/ NEFT/ RTGS	Within 15 days of completion of Joint inspection	DFO

6. IMPLEMENTATION PROCEDURE AND RELEASE OF SUBSIDY

6A. Component-I

Intensive Aquaculture in newly excavated tanks

- i. The scheme shall be widely publicised across the State through Departmental website, print/electronic/social media.
- ii. Interested persons shall apply through Go-SUGAM portal with requisite documents (**Annexure-III A**). In case the applicant cannot apply online in Go-SUGAM due to Bhulekh (RoR) verification issue, the required ROR shall be scanned and uploaded to the site by Beneficiary/AFO after receiving the same in offline mode in the prescribed application format (**Annexure-III**). All offline applications shall be uploaded in Go-sugam site before issue of Go-ahead.
- iii. The application shall include documentary evidence of availability of requisite land (either own/registered lease deed) free from all encroachments and encumbrances, necessary clearance/permission if any required. In case of leased land the lease period/agreement must not be less than 7 years from the date of application.
- iv. In case of joint property and property ROR in the name of ancestors, the affidavit should be made before the Executive Magistrate in the name of applicant which should contain declaration/consent by other shareholders/ their legal heirs of the land to take up the project by the applicant under govt. assistance. The applicant

shall submit disclaimer that in case of any complaint received from any party on dispute of land the subsidy amount will be refunded to Government.

- v. Preference shall be given to ST/ SC/PWD/Transgender applicants in selection of beneficiaries.
- vi. On receipt of application from the applicant the AFO of the Block shall visit the site and submit the survey and technical feasibility report (**Annexure-IV A**), along with all documents to the DFO within 15 days.
- vii. The AFO shall take 5 Geo tagged photographs of the site where the fish pond is proposed for excavation and upload in portal.
- viii. On receipt of applications along with documents from the AFO through Go-Sugam/ offline, the DFO shall convene the District Level Committee (DLC) meeting under the Chairmanship of the Collector for approval of the eligible beneficiaries as per notification no 834/FARD dt.21.01.23
- ix. Upon approval of DLC, DFO shall issue Go-ahead letter (**Annexure-VA**) to the beneficiary to take up excavation work under self- finance cases and a copy to the financing bank for Bank Finance cases.
- x. **In case of Bank finance, the Beneficiary, AFO and DFO shall coordinate with the financing bank for all required compliances and the beneficiary to upload the application to SAFAL portal for further online processing of the application**
- xi. The AFO of the concerned block shall visit the site time to time, to guide the beneficiary during pond development and render technical support during culture period.
- xii. **DFO shall communicate to all the concerned Tahsildars with copy to concerned RI for timely submission of RI verification report of all completed projects.**
- xiii. Beneficiary shall submit/upload RI verification report, during execution of the project and submit an undertaking that tank has been constructed in his/ her own plot / leased plot before release of subsidy.
- xiv. Geo tagged photograph of the project shall be taken by AFO along with the beneficiary before starting, during excavation and after completion of the project and upload in Go-Sugam portal.
- xv. The beneficiary shall inform the AFO about completion of the project along with RI verification Report.
- xvi. The AFO shall make field visit, and submit the completion certificate to the DFO along with all photographs within 15 days from the date of intimation by beneficiary.
- xvii. AFO shall physically verify 100% of the completed projects. The utilization certificate, certified input bills / vouchers, geo-tagged photographs (*AFO and the beneficiary both should be visible along with the Asset created*) , **Online transaction receipt for purchases made for Rs 20,000/- and above for each item where ever applicable** shall

be uploaded by the AFO for release of subsidy. The admissible subsidy shall be released to the beneficiary account in DBT / RTGS / NEFT. In case of Bank finance , subsidy shall be released to beneficiary loan A/C for adjustment against loan component.

- xviii. DFO/ Addl. F.O/ AFO(HQ) of the district shall verify / cross check, minimum 25% of the project separately. (The DFO shall earmark percentage of projects to be inspected by each officer himself/herself, Addl.F.O/ AFO, HQ). They shall visit the projects immediately after completion of excavation and before stocking.
- xix. Zonal Deputy Director of Fisheries shall verify, at least 5% of the completed cases. These 5% cases shall be other than the 25% of cases inspected as mentioned in Para xviii. However, release of subsidy shall not be linked to inspection of projects by Zonal DDFs.
- xx. After completion of excavation (Unit Capital cost @Rs.7.00 lakh/ ha), the proportionate capital subsidy of the water area developed shall be released in favour of beneficiary on receipt of utilization certificate (**Annexure VIA**) and 4(four) projects site Geo-tagged photographs from all angles and 1(one) photograph with beneficiary by AFO.
- xxi. After stocking of fingerlings and submission/ uploading of input voucher, **Online transaction receipt for purchases made for Rs 20,000/- and above for each item where ever applicable** . -
- xxii. **Online payment to the dealers may be done by the beneficiary to maintain transparency. The mode of payment of cost worth Rs 20,000/- or more for each item of the scheme made to single/ multiple suppliers, dealer, Vendor, seller through single/ multiple transaction, shall be done through online mode like RTGS/ NEFT/ UPI payment. (for ex. the feed is considered as one item of the scheme irrespective of brand/ Suppliers/ Vendors/ Sellers).** Submission of online transaction receipt by beneficiary for transaction above Rs 20,000/- for each item of the scheme is mandatory for release of subsidy. Subsidy should never be released directly to suppliers.
- xxiii. Subsidy shall be released to the loan A/C of beneficiary in case of Bank finance on receipt of bank claim. AFO to ensure uploading of Geo tagged photographs of the asset on the day of joint visit by banker and AFO, Input bills (GST bills where ever applicable), final RI verification report, **online transaction receipts** and final utilization certificate (**Annexure- VIB**).
- xxiv. Geo-tagging and photographic documentation (pre, during and post excavation) and asset created shall be taken up by the AFO to ensure transparency. The details of the beneficiary and photographs of the works shall be kept in the case records. and also uploaded in the website of the Directorate of Fisheries & upload the list of beneficiaries benefitted in the Go Sugam Portal.
- xxv. Horticulture activity on the pond embankment may be encouraged and taken up by the fish farmers at their own cost for additional income. The District Fisheries Officer may co-ordinate with Horticulture Department in the District for this purpose.
- xxvi. Sign board must be displayed on the embankment of pond with details of scheme, funding, subsidy, area, name, address of beneficiary and year of implementation etc.

- xxvii. The beneficiary shall submit the GST bills (where ever applicable)/ receipts towards procurement of inputs as mentioned in Para XXI.
- xxviii. The DFO and AFO shall ensure proper utilization of water area created under the scheme for scientific pisciculture.
- xxix. The implementation guidelines and unit cost may be changed as per circular/ instruction of Govt. from time to time.
- xxx. District official can enhance up to 25% of their allocated target and district officials are free to reallocate block targets as per demand (Lt. 883/FARD dt 21.1.23).
- xxxi. The AFOs /DFOs should facilitate credit linkage from banks to the beneficiary for availing loans as per the requirement of the beneficiary in Bank Finance case.
- xxxii. DFOs to assess the progress of each projects after a period of three months from the date of issue of the Go ahead then issue one month notice for immediate initiation of the project if not started. After one month of the notice the same may be cancelled if no progress is observed. DFOs are allowed to review the reasons of non-initiation of projects from case-to-case basis with justified reasons (Except bank finance case) & also.(in case of bank finance the maximum period is 6 months but mandatorily within the financial year end)

6B. COMPONENT-II

Intensive Aquaculture in existing tanks:

6B.1: UNIT COST AND SUBSIDY ASSISTANCE (in Rs. Lakh)

Sl. No.	Specification of Tank/ Pond	Unit Cost (1 Ha)	Subsidy Assistance under MPY	
			General (40%)	SC/ ST/ Women/Transgender/PWD (50 %)
	Input Cost			
1.	Input cost for 1 crop Cycle (Seed, feed, fertiliser, medicine, disinfectants etc.) for 1.00 ha. Water area (Details in Annexure-II)	4.00	1.60	2.00
TOTAL (1.00 Ha. Tank)		4.00	1.60	2.00

- i. For differently-abled persons the certificate of disability issued by certifying authority/ competent authority indicating 40% or more disability as per 'The Rights of Persons with Disabilities Act, 2016 will be acceptable. The certificate of identity as transgender person issued by District Magistrate as per 'The Transgender Persons (Protection of Rights) Act 2019 will be accepted as Transgender category.
- ii. In case of any modification in the guideline by Government in F & ARD Department the same shall be applicable for those beneficiaries who have received Go ahead letter during the FY 2025-26.
- iii. Subsidy @ 40 % shall be provided to the General category and @ 50% to SC/ ST/ Women/ PWD/ Transgender categories of beneficiaries.

6B.2: IMPLEMENTATION PROCEDURE AND RELEASE OF SUBSIDY

1. i. The beneficiary or his family members should not have availed subsidy under MPY and PMMSY or any other similar assistance during last 5 years against the tank to be included under this Scheme. The AFO concerned shall submit a certificate that, the beneficiary has not availed subsidy under MPY and PMMSY or any other similar assistance during last 5 years against the tank to be included under this scheme
- ii. The interested beneficiaries shall apply to AFO in the prescribed application format (**Annexure-III**) with all document as per checklist (**Annexure-IIIB**).
1. iii. The application shall include documentary evidence of availability of requisite pond (either own/registered lease deed) free from all encroachments and encumbrances, necessary clearance/permission if any required. In case of leased pond the lease period/agreement must not be less than 7 years from the date of application.

In case of joint property and property ROR in the name of ancestors, the affidavit should be made before the Executive Magistrate in the name of applicant which should contain declaration/consent by other shareholders/ their legal heirs of the land to take up the project by the applicant under govt. assistance. The applicant shall submit disclaimer that in case of any complaint received from any party on dispute of land the subsidy amount will be refunded to Government.

1. iv. On receipt of application from the applicant the AFO of the block shall visit the site and submit the survey and technical feasibility report (**Annexure-IV B**) along with all documents, to the DFO within 15 days. AFO should certify that the tank is suitable for intensive aquaculture, with proper embankments etc.
- v. The AFO shall take 4 Geo tagged photographs of the site from all four angles as initial phase and submit the same to the DFO, along with other documents.
- vi. On receipt of applications along with documents from the AFO through Go-Sugam/ offline (to be made online before issue of Go Ahead, the DFO shall convene the DLC meeting under the Chairmanship of the Collector for approval of the eligible beneficiaries as per FARD notification no. 834/FARD dt.21.01.23

- vii. Upon approval of DLC, DFO shall issue Go-ahead letter (**Annexure-VB**) along with DPR to the beneficiary to take up intensive aquaculture in self-finance case and with a copy to the banker in Bank finance case.
 - viii. **In case of Bank finance, the Beneficiary, AFO and DFO shall coordinate with the financing bank for all required compliances and the beneficiary to upload the application to SAFAL portal for further online processing of the application.**
 - ix. The Assistant Fisheries Officer of the concerned block shall visit the site from time to time to guide the farmers and render technical support during culture period.
 - x. Geo-tagged photograph of the project shall be taken by AFO along with the beneficiary 1st during Stocking, 2nd culture period with proper feeding and 3rd during harvesting.
 - xi. The beneficiary shall inform the AFO about stocking of fish seed and procurement of fish feed.
 - xii. The AFO shall make field visit during the stocking of fish seed and procurement of feed and submit the certified input bills, photographs along with part UC to the DFO for release of 50% eligible subsidy.
 - xiii. Upon starting of harvest or four months of culture from the date of release of fish seeds, whichever is earlier, the balance subsidy will be released with the submission of the certified input bills, photographs along with final UC in **Annexure- VIC** by AFO to the DFO in case of self- finance and **Annexure-VID** in case of Bank finance.
 - xiv. Beneficiary shall be provided back-ended admissible subsidy, only after stocking of seed in the tanks, procurement of feed and other inputs and submission of the certified input bills, photographs along with UC to the DFO for release of subsidy. The subsidy can be released by the concerned DFO either in two phases (50% in each phase) or 100% at once on receipt of all relevant vouchers.
1. xv. AFO shall physically verify 100% of the completed projects. The utilization certificate certified input bills / vouchers, geo-tagged photographs (*AFO and the beneficiary both should be visible along with the Asset*) shall be uploaded by the AFO for release of subsidy. The admissible subsidy shall be released to the beneficiary account in DBT / RTGS / NEFT or to his loan A/C in case of Bank finance.
- xvi. DFO/ Addl. F.O/ AFO(HQ) of the district shall verify / cross check, minimum 25% of the project separately. They shall visit the projects immediately after completion of excavation and before stocking.
 - xvii. Zonal Deputy Director of Fisheries shall verify, at least 5% of the completed cases. These 5% cases shall be other than the 25% of cases inspected as mentioned in Para XV. However, release of subsidy shall not be linked to inspection of projects by Zonal DDFs.

- xviii. Geo-tagging and photographic documentation (pre and during culture period) of the asset shall be taken up by the AFO to ensure transparency. The details of the beneficiary and photographs of the works shall be kept in the case records, and also uploaded in the website of the Directorate of Fisheries, and DFO shall upload the list of beneficiaries benefitted under the scheme on Go Sugam Portal.
- xix. Sign board must be displayed on the embankment of pond with details of scheme, funding, subsidy, area, name and address of beneficiary, year of implementation etc.
- xx. The back ended subsidy shall be released directly to the beneficiary account on completion of the project through DBT/NEFT/RTGS in the Adhaar linked bank account of the beneficiary & to the bank in favour of his loan A/C.
- xxi. The beneficiary shall submit the GST bills, Online transaction receipt for purchases made for Rs 20,000/- and above for each item where ever applicable.
- xxii. Online payment to the dealers may be done by the beneficiary to maintain transparency. The mode of payment of cost worth Rs 20,000/- or more for each item of the scheme made to single/ multiple suppliers, dealer, Vendor, seller through single/ multiple transaction, shall be done through online mode like RTGS/ NEFT/ UPI payment. (for ex. the feed is considered as one item of the scheme irrespective of brand/ Suppliers/ Vendors/ Sellers). Submission of online transaction receipt by beneficiary for transaction above Rs 20,000/- for each item of the scheme is mandatory for release of subsidy. Subsidy should never be released directly to suppliers.
- xxiii. The DFO and AFO shall ensure for scientific pisciculture under the scheme.
- xxiv. The implementation guidelines and unit cost may be changed as per circular/ instruction of Govt. from time to time.
- xxv. District official can enhance up to 25% of their allocated target and district officials are free to reallocate block targets as per demand (Lt. 883/FARD dt 21.1.23).
- xxvi. The AFOs /DFOs should facilitate credit linkage from banks to the beneficiary for availing loans as per the requirement of the beneficiary in Bank Finance case.
- xxvii. **This guideline for both components shall be effective till fy 28-29 in absence of any revision by the department.**

1. 7. TRAINING AND SKILL DEVELOPMENT OF BENEFICIARIES

To generate awareness, dissemination of farming technology and to attract the interested stake holders on the benefit of the scheme necessary training and awareness programme will be conducted.

8. Project Monitoring and Supervision:

8.1 District level Monitoring

The District Fisheries Officers along with his/her team of officers shall regularly supervise the scheme implementation including progress of selection of beneficiary, installation of units, stocking of fish seed, Water quality management, health management, training and capacity building of the beneficiaries, release of subsidy etc.

8.2. State Level Monitoring

State Level Monitoring Committee will be constituted at Directorate of Fisheries, Odisha under the Chairmanship of the Director of Fisheries, Odisha. The committee members are:

1. 1. i. Director of Fisheries (Chairman)
- ii. Additional Director (Technical)
- iii. Joint Director (Inland)
- iv. Joint Director (Planning and Training)
- v. Deputy Director (Inland)

The Monitoring Committee will meet once in each quarter to monitor and review the progress of scheme implementation.

The Committee shall review the progress of work made by the DFOs and suggest guidance and advice.

ANNEXURE-I**DETAILED UNIT COST FOR NEW PONDS UNDER "MMKY-MACHHA CHASA PAIN
NUA POKHARI KHOLA YOJANA (MATSYA POKHARI YOJANA)" COMPONENT-I**

Sl. No	Particulars	Unit (No/Kg)	Cost in Rs.	Amount (in Rs.)
A	Capital Cost			
1	Excavation of new tank	Water Area-1 Ha 5 ft depth		7,00,000.00
B	Input Cost			
1	Lime	600 kg	@12/-/Kg	7200.00
2	Pond water management Inputs (i.e. Pro-biotics/pre- biotics/grow-biotics, ammonia binder, plankton generation products, raw cow dung and its other forms, inorganic manure etc)	LS		15000.00
5	Cost for sampling and testing kits	LS	LS	2000.00
6	Fish Seed	6000 no.	@Rs.10/- fingerling	60000.00
7	Fish Feed @ 1.5:1ratio to harvest 5MT fish/ha	7500 kg	@Rs. 36/kg	270000.00

8	Medicine, disinfectants, probiotics, ammonia binders, natural zeolite , vitamin-mineral mixture ,Oxy tabs etc.	LS	LS	15000.00
9	Harvesting/Sample netting charges	LS	LS	15000.00
10	Miscellaneous	LS	LS	15800.00
B	Total			4,00,000.00
C	Total Cost (A+B)			11,00,000.00
D	Income from fish production per year	5000 Kg fish	@Rs.150/kg	7,50,000.00
E	Gross Profit (D-B) per year			3,50,000.00

Inputs to be utilized as per field requirement and pond condition keeping seed and feed as mandatory components.

ANNEXURE-II**DETAILED INPUT COST FOR EXISTING PONDS UNDER "MMKY-MACHHA CHASA PAIN NUA POKHARI KHOLA YOJANA (MATSYA POKHARI YOJANA)"**
COMPONENT-II

Sl. No	Particulars	Unit (No/Kg)	Cost in Rs.	Amount (in Rs.)
B	Input Cost			
1	Site clearance	LS	LS	5000.00
2	Drying, desilting and ploughing	LS	LS	5000.00
4	Lime	900 kg	@Rs.12/kg	10800.00
5	Pond water management Inputs (i.e. Pro-biotics/pre-biotics/grow-biotics, ammonia binder, plankton generation products, raw cow dung and its other forms, inorganic manure etc)	LS		11100.00
7	Cost for sampling and testing kits	LS	LS	2000.00
8	Fish Seed	6000 no.	@Rs.10/- fingerling	60000.00
9	Fish Feed @ 1.5:1ratio to harvest 5MT fish/ha	7500 kg	@Rs. 36/kg	270000.00
10	Medicine which acts as a pond	LS	LS	15000.00

	disinfectant, promotes good water quality and fish growth, prophylaxis treatment for multi spectrum diseases, other multivitamin, Mineral ,Oxy tabs etc.			
11	Harvesting / Sample netting charges	LS	LS	10000.00
12	Miscellaneous	LS	LS	11,100.00
A	Total			4,00,000.00
B	Income from fish production per year	5000 fish	Kg @Rs.150/kg	7,50,000.00
C	Gross Profit (B-A) per year			3,50,000.00

Inputs to be utilized as per field requirement and pond condition keeping seed and feed as mandatory components.

Application Form – Construction of New Tank/

Intensive Aquaculture in existing tanks under MPY-MMKY

Passport Size
Photo

(Self-Attested)

1. Name of the Farmer:

2. Father's /Husband's name

3. Age:

4. Address:

a. Village:

b. G.P:

c. Block:

d. District

e. PIN:

5. Mobile number: (Aadhaar linked-mandatory)

6. Category (Gen/SC/ST/Transgender/PWD):

a. Upload requisite Certificate

7. Male/Female/Other:

8. Educational qualification:

9. Water area to be developed (For component I)

10. Water area to be cultured (For component-II):

11. Land area available:

12. Land particulars

Tahasil -

Plot No-

Mouza-

Area-

Khata No-

Kissam-

Name of the recorded owner as per ROR-

Ownership of Farm-Self/Joint property/ lease

(Copy of the ROR/NOC/ lease agreement be submitted/ uploaded with the application)

13. Any previous experience in fish farming? Mention the same here.

14. Have you availed similar subsidy previously for any project? (if yes, the details of the previous one may be mentioned)

a. Name & Type of the project-

b. Project Location-

c. Area Excavated-

d. Year of availing subsidy-

e. Amount of subsidy received-

f. Subsidy availed under which scheme? _____

g. Self/ Bank finance

15. Identification proof

a. Submit/Upload Aadhar Card

16. Source of funding – Self finance/ Bank loan

a. If bank loan, submit/upload consent letter from bank

17. Bank A/C no. With IFSC Code

a. (Photograph of the first page of the bank passbook):

18. **Self-declaration:**

I do hereby declare that in case of any complaint received from any party on dispute of land, the subsidy amount will be refunded to Government.

I do hereby declare that the above facts are true to the best of my knowledge and I am interested to take up inland fish farming & utilise the Govt. assistance for the said purpose abiding the rules and guideline of the Govt.

Signature of the applicant

Annexure-III A

Check List of documents attached with Application form:

1. Filled in Application form by the applicant
2. Photocopy of Aadhar card
3. Photocopy of Record of Right (ROR) of proposed land for development
4. Photocopy of sketch map of proposed land certified by Revenue official
5. Documentary evidence of land free from all encumbrances
6. Photocopy of caste/ PWD/Transgender certificate
7. Affidavit sworn before Executive Magistrate in case of joint property by co-owners of land
8. Registered lease agreement for a minimum period of 7 years
9. Photocopy of 1st page of bank passbook

Annexure-IIIB

Check List of documents attached with Application form:

1. Filled in Application form by the applicant
2. Photocopy of Aadhar card
3. Photocopy of Record of Right (ROR) of proposed pond for pisciculture.
4. Photocopy of sketch map of proposed pond certified by Revenue official
5. Documentary evidence of land free from all encumbrances
